VOTER INFORMATION

United States citizens who are 18 years of age on the day of an election and who have established a permanent residence in the State of New Mexico are eligible to register to vote in Doña Ana County. Registration must be done at least 28 days prior to an election, in person or by requesting a mail-in registration from the county Bureau of Elections.

It is not necessary to register with a political party in order to vote. However, New Mexico is a "closed" primary state, meaning that you must be registered with a major political party (Democrat or Republican) in order to vote in that party's primary election. Lack of a party designation does not prevent voters from participating in regular elections. Absentee and early voting is allowed for all voters, subject to specified time lines.

Registration is permanent in New Mexico as long as you do not move or change your name or party affiliation. If you have not voted in several years, it is possible your name could be removed from the voter rolls. Voter registrations are canceled when the voter has moved from the county, has been convicted of a felony or has been declared mentally incompetent. It is important to check your voter registration status to make sure it is current.

For more information contact the Bureau of Elections located in the Doña Ana County Government Center at 845 N. Motel Blvd. in Las Cruces. Phone (575) 647-7428, or find answers online at <https://donaanacounty.org/elections>

League Membership Information

The League of Women Voters cares about Las Cruces and Doña Ana County. We take action and cooperate with other organizations to benefit our community.

Men and women who are at least 16 years of age are eligible for membership in the League of Women Voters of Greater Las Cruces. Joining a local League includes membership in the League of Women Voters of New Mexico and the League of Women Voters of the United States. The League is organized into two complementary halves: (1) voter services and education about the election process and (2) programs that study issues and lead to positions which are the basis for taking action at the national, state and local levels.

Members receive a monthly publication, THE VOTER, that contains a calendar of meetings, events and non-partisan voter services activities, as well as reports and articles about a wide variety of issues of interest to the members of the organization. Meetings are held monthly and announced in THE VOTER. Voter services activities include registering voters, sponsoring candidates' forums, and publishing a VOTERS GUIDE that includes information about candidates, amendments and ballot issues that will be voted on during an election. After elections, this publication, WHO'S WHO, is printed and posted on our website to enable voters to reach those whom they elected.

The League is a nonpartisan organization that neither supports nor opposes political candidates or parties. Organized in 1920 to educate voters about the election process, it continues to provide that community service.
